EXAMINER'S AMENDMENT

1. Applicant's election of Species 1 (drawn to **claim 1**) in the reply filed on March 18, 2005 is acknowledged. Because applicant did not distinctly and specifically point out the supposed errors in the restriction requirement, the election has been treated as an election without traverse (MPEP § 818.03(a)).
2. This application is in condition for allowance except for the presence of **claims 2-13** to species non-elected without traverse. Accordingly, **claims 2-13** been cancelled hereinafter by an examiner's amendment.
3. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.
4. The application has been amended as follows:
 - **Claims 2-13** are canceled.
5. The following is an examiner's statement of reasons for allowance: the method disclosed in **claim 1** comprising the steps of:
 - a. providing a catheter with an intermediate section form from a flexible material, a first lumen and a second lumen with a side opening;
 - b. extending a pre-shaped retaining wire through the first lumen to form the catheter's intermediate section into a U-shaped configuration;in combination with the steps of:

Art Unit: 3743

- c. inserting and withdrawing a straightening wire from the second lumen in order to straighten the catheter, introduce the catheter to a position within the patient in order to align the second lumen side opening with an aneurysm and then return the catheter back to the original U-shaped configuration;
- d. before delivering an embolic coil into the aneurysm through the side opening in the second lumen; and
- e. then straightening the catheter's intermediate section again by inserting the straightening wire in order to remove it from the patient;

has not been taught nor suggested in the prior art of record.

6. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

7. Any inquiry concerning this communication or earlier communications from the examiner should be directed to **Andrea M. Ragonese whose telephone number is 571-272-4804**. The examiner can normally be reached on Monday through Friday from 9:00 am until 5:00 pm.
